Term 3 Week 6

About us

Cowaramup families have a strong connection and association with Cowaramup Primary School.

Throughout the years, Cowaramup Primary School has been characterised by high quality teaching and support staff who have set high literacy and numeracy standards, resulting in excellent academic achievement and progress.

Our school prides itself on developing a positive school culture through managing behaviour in an educative, supportive way.

From the Principal's Desk

The Book Week parade this year was well supported with many students and staff dressing up as their favourite book character. With the sun shining the parade was superb with all classes walking around in front of the whole school and parents.

Book week is a chance to celebrate reading and the joy that comes from reading a good book. I'm sure everyone has grabbed a favourite book off the shelf and really enjoyed reading it with their children.

Our Year 4 Adventure Days and the Year 5 Camp students are very excited with their upcoming adventures later this term. Many have been busy organising and preparing themselves for the wide range of

educational activities that they will participate in. Both groups will have plenty of opportunities to work together as a team whilst enjoying learning outside the classroom.

As the weather warms up, work will commence to create an Indigenous Bush Tucker Garden outside of rooms 5 and 6. There will be pathways, a meeting place and a number of signs to let students know information about the plant and how it is used. Some native bee homes will be hung from some of the trees to further enhance the area.

Planning for “Say Gday to the Bay Day” in term 4 is well under way. Friday the 12th November is the day when our whole school and parents head to Cowaramup Bay to participate in a range of environmental education activities on the beach.

Next term we will be asking for volunteers to help on the day.

Every few years the Children’s Crossing is surveyed twice by the Children’s Crossings and Road Safety Committee.

Recently on a cloudy morning with a temperature of only 13 degrees, 31 students crossed the road, whilst 58 heavy vehicles and 732 vehicles used the road. The data is a good reminder of how busy Bussell Hwy is and what a great job that both Bob and Warren do as our traffic wardens in getting children safely across the road.

Parking

Please be considerate when parking especially during these winter months when everyone wants to get as close to school as possible. The bus bay along Waverley road is primarily for buses but it is possible to kiss and drop students there. Please don’t park in the bus bay as this will cause significant problems for the safe loading and unloading of the buses.

Science Week for the Year 5's

Week 5 was Science Week and the Year 5s had great fun creating a chemical reaction.

We made 'Lemon Volcanos' with citric acid and bi-carb soda. It was a great experiement and surprisingly we left the classroom pretty clean! Thank you Ms Land for the fruit! A few more exciting experiments to come!

Old World, New Worlds and Other Worlds were on fine display at the Book Week Dress Up Parade

Room 10 has fun with Applied Mathematics

Parents and Citizens Association

Cowaramup Rep goes to WACSSO conference

The P & C had the opportunity to attend the latest WACSSO (Western Australian Council of State School Organisations) conference in Perth. Zee Connell was the member who attended to represent Cowaramup Primary School. We are looking forward to hearing what information was shared. Also we were fortunate to showcase some of our students artwork with other school and companies.

Margaret River Little Athletics

RUN, JUMP, THROW!

The 2021-2022 Little Athletics season is almost here and we are looking forward to another fun filled competitive season.

Children aged from 5- 17yrs can register and compete.

We require parents/care givers to stay on some Saturday mornings to co-ordinate and record the children's results as they move from event to event and to help with the sausage sizzle. Events include running, hurdles, shot put, javelin, discus, long jump, triple jump and high jump (depending on age).

Little Athletics develops the basic motor skills of running, jumping and throwing. Developing strength, flexibility, co-ordination and balance, all basic requirements of ANY sport.

You can complete registration ONLINE at www.resultshq.com.au, with payment via Paypal or credit card, from **SEPTEMBER 1st**.

The costs for this season will be \$150 for the first child and \$110 for each additional child. We accept Kidsport vouchers. Please note, we must receive payment prior to the season commencing.

The first day of our Little Athletics season is set for **Saturday 30th October** at 8.15am(setup) for an 8.30am start. As a guide a typical meet will finish approx 10-1030am.

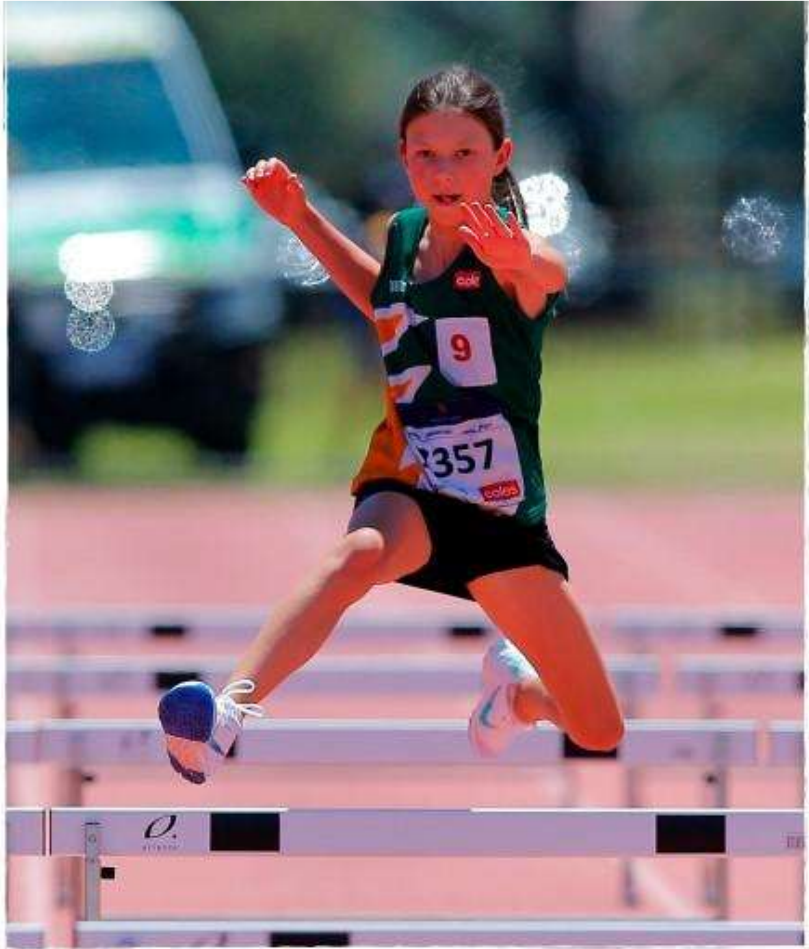

Term 4 and Term 1

Trainings (optional) will commence Tuesday 2nd November from 4.00pm till 4.45pm.

So come and enjoy a fun family sport where everyone is involved.
