Term 3 Week 9

About us

Cowaramup families have a strong connection and association with Cowaramup Primary School.

Throughout the years, Cowaramup Primary School has been characterised by high quality teaching and support staff who have set high literacy and numeracy standards, resulting in excellent academic achievement and progress.

Our school prides itself on developing a positive school culture through managing behaviour in an educative, supportive way.

From the Principal's Desk

On Friday selected students will be competing in the Interschool Cross Country running event in Margaret River. These races are very competitive, and I am sure that all students will put in their best performance. It has been so enjoyable to watch all the students and their friends practise in the mornings before school every Tuesday. We all look forward to hearing of their achievements.

Our year 4 students are looking forward to their 3 days of adventure. Highlights include a climb at Ninja Mocean, finding out about local government at the Augusta Margaret River Shire, exploring the local

caves, participating in a megafauna workshop and seeing the dolphins in Bunbury.

I am sure they will enjoy their adventures.

The state government recently gave Cowaramup Primary School a \$40,000 grant for the purchase of science resources. This grant will allow us to update our equipment and continue to inspire our students to generate solutions for everyday life and solve the mysteries of the world around us.

Our last Friday of term will commence with a school assembly, with Room 4 and the school choir performing. After assembly we will be holding our Buddy Group morning with students participating in several activities in groups made up of students from Pre-primary to Year 6.

It is a time that we remember our school history and talk briefly about the various memorials that we have around the school in memory of those that lost their lives in Gracetown 25 years ago, during an interschool surfing competition.

A free sausage sizzle will be provided for all students on the day.

I hope that everyone enjoys their holiday break and returns refreshed for term 4.

Year 5 Camp was Amazing!

In Week 7, all the Year 5's went on an amazing camp in Perth. When we got to Perth, we went to Bounce which was extremely fun, because we got to do a parkour course and jump on big trampolines. But that wasn't the best part of camp. After dinner we went on a surprise go on the Freo Ferris Wheel. The next day we went to Scitech and the planetarium made everyone dizzy.

The Kings Park was awesome. We saw the ANZAC memorial with all the names. After Kings Park we went back to the dorms for dinner. When we had finished our pizza we went to Melville Super Bowl for bowling. Cooper Holland had never bowled before but he got a strike on his first go!! On Friday, the last day of camp, some people did archery and some people did flying fox.

Year 5 camp was a great experience that we all enjoyed .

Special thanks to Mr Yorke, Mrs Mathers, Adrienne, Steven, Charlie, Pat and everyone that provided us food and fun activities. We hope the Year 4's will enjoy this as much as we did.

Kindy Discover Deadly Excursion

Last week the Kindy kids set off on their first ever excursion to Discover Deadly. They had been learning about how some animals are reptiles and that reptiles have special features. They were very keen to observe some real reptiles! The bus ride to Discover Deadly was also very exciting. Some of the highlights were seeing the turtles being fed, a snake eating a mouse, a water dragon swimming, a crocodile jumping for its food and of course bravely being able to

hold a python. A new nature playground had just been completed and the Kindy kids were the first ones to try it out. It added even more excitement to the day! The children are to be commended for their excellent manners. It was a fantastic excursion.

Gardening Group Friday Recess

Gardening Group is back up and running now that the weather is clearing up. Friday recess with Vanessa and probably other days too when Ms Niotakis gets back! Lots of fun to be had while we keep our garden area looking great.

Breakfast Club is proving to be Popular

BREAKFAST CLUB is a bit hit each week with up to 150 people joining in and having a meal.

We thank everyone who has been involved and especially the parents and staff who volunteer and make this wonderful event possible each week.

👍 WE NEED YOU! 👍

We are currently building our Breakfast Club team. The hope is for helpers to volunteer once or twice a term. There are lots of different jobs, such as picking the bread up from Woolies in Margaret River and getting it to school by Thursday afternoon, arriving early Friday morning to help cook and arriving normal time to help with dishes and pack up. You can volunteer as little or as much as you like. It is an extremely fun atmosphere and a rewarding way to give back to the community.

Please contact Vanessa on vanessa.muscat@education.wa.edu.au or chat to me at Breakfast Club for more info!!

Margaret River Little Athletics

RUN, JUMP, THROW!

The 2021-2022 Little Athletics season is almost here and we are looking forward to another fun filled competitive season.

Children aged from 5- 17yrs can register and compete.

We require parents/care givers to stay on some Saturday mornings to co-ordinate and record the children's results as they move from event to event and to help with the sausage sizzle. Events include running, hurdles, shot put, javelin, discus, long jump, triple jump and high jump (depending on age).

Little Athletics develops the basic motor skills of running, jumping and throwing. Developing strength, flexibility, co-ordination and balance, all basic requirements of ANY sport.

You can complete registration ONLINE at www.resultshq.com.au with payment via Paypal or credit card, from **SEPTEMBER 1st**.

The costs for this season will be \$150 for the first child and \$110 for each additional child. We accept Kidsport vouchers. Please note, we must receive payment prior to the season commencing.

The first day of our Little Athletics season is set for **Saturday 30th October** at 8.15am(setup) for an 8.30am start. As a guide a typical meet will finish approx 10-1030am.

Term 4 and Term 1

Trainings (optional) will commence Tuesday 2nd November from 4.00pm till 4.45pm.

So come and enjoy a fun family sport where everyone is involved.
